Drawing - Sertoma Breaking Down Drawing

Age 16 yrs. and up. Breaking Down Drawing Observation & Mechanics Most drawings that fail do so in the beginning stages due to limited observation of the subject, poor planning and limited drawing mechanics - usually because the artist tries to render surface detail and small structure before adequately treating primary considerations like overall placement and composition, proportion and balance, and larger shape and structure. This workshop focuses on first things first. Using comparative measurement to aid observation students will learn how to scope out their work before committing errors with the pencil, and how to break out of relying on only finger and hand mechanics in drawing to use the whole range of arm drawing mechanics. Richard Cloudt, instructs Check confirmation for supplies or call Sertoma at 919-420-2329. Class Fee: \$84

Pottery - Sertoma Introduction to Majolica

Age 16 yrs. and up. Developed in the Middle East during the 9th century, made famous by Italian artisans, majolica is earthenware pottery with a white opaque glaze decorated with ceramic colorants brushed on top of the raw, unfired glaze. The glaze is formulated to be viscous which restricts the flow & movement of the glaze retaining most of the line quality of the decoration. This class will examine the historical aspects, designs of majolica & explore the process using commercial glazes & majolica colors making the techniques easy for all levels of potters. Formulas for mixing your own majolica glazes/colors will be provided & discussed. If you like bright colors & painting designs on pottery, this class is for you. Prereq: Beginner Handbuilding/Throwing class at Sertoma/Pullen or equivalent experience. New students to Sertoma must attend a brief studio safety/orientation session at 9:00 on the first class date. Students pay glaze & color fee of \$45 at the first class. Randy Hinson, instructs skips 9/26. Class Fee: \$65
